

# Piñata Planter Class!

- 1 piñata planter (measures 5 5/8" H x 2" W x 5 1/4" L)
- 1 cactus ornament (assorted styles, 3 1/4" L x 5" W x 1/4" )
- 1 paint set (multisurface paint does require varnish)
- Paintbrush
- Mini succulent to go inside the planter
- Optional: Headpin, varnish

## **DIRECTIONS:**

Wipe your planter free of any dust or debris.  
Paint the bottom and the tail.

Using a thin liner brush, paint each layer in a different color, all the way around.  
Let dry and then use a contrasting color to add small designs on top of the stripes.

You can use dots, hashmarks, hearts, etc.

Use the opposite end of your paintbrush to make small designs.

Let dry.

Using the black, go in and add white for the eyes and then outline in black.

Let dry and if desired, varnish.
