

CRAFTYGICA

2ND ANNUAL

# CRAFTY NAVIDAD

ONLINE CRAFT RETREAT - DEC. 10 - 11, 2021

## Reverse Painted Virgin of Guadalupe

### SUPPLIES:

Glass frame, craft paints, skinny liner brush, round brush, background paper, backwards printed template, masking tape, cup of water, paper towel.

### DIRECTIONS:

Tape down the template on a flat surface.

Disassemble frame, clean glass and carefully tape down on top of the template. Set aside the other pieces of the frame.

Use the skinny liner brush & black paint and paint the outline of the template. Let dry fully.

Fill in spaces with color, like a coloring book! Add a second layer if desired.

Add a white line around the outside of the design, and if desired over the entire piece, make sure it is dry underneath.

Use Mod Podge to seal, if desired. Let dry.

Add a tiny dimensional foam dot on each corner on the front of the background paper.

Reassemble in frame, add the background paper.

## Felt Gift Card Holder Ornaments

### SUPPLIES:

2x3" pieces of assorted felt, scissors, embroidery thread needle, embroidery thread, white craft glue (or hot glue), gems, beads if desired.

### DIRECTIONS:

Choose the design you want for a gift card holder.

Cut pieces of felt to create the design, keep it simple!

Glue piece in place, let dry.

Thread needle with three strands of embroidery thread, double and then tie a knot at the end.

Stitch the front piece of felt to a back piece of felt.

Cut a small piece to use as the hanger.

Glue or stitch on the gems and beads.

## Christmas Tree Shaker Card

### SUPPLIES:

Blank card, front paper, tree backing, tree frame foam adhesive, tree frame cut-out, tree clear acetate sheet, shaker pieces, embellishments.

### DIRECTIONS:

Glue the front paper to the front of the blank card.

Glue the tree backing.

Affix the tree foam cut-out.

Add the shaker pieces.

Peel away backing from the top of the tree foam cut-out, set acetate tree cut-out on top, press firmly so it sticks.

Add a thin line of glue around the edge of the tree, add the tree paper frame cut-out.

Add embellishments at the bottom.

NOTE: We will also make a gatefold card and a La Jefa card, plus a tag!

## Holiday Notepads

### SUPPLIES:

Notepad, scrapbook paper, embellishments, main image, washi tape.

### DIRECTIONS:

If desired, cut notepad in half so you can make two pads.

Keep cover of notepad intact.

Cut a piece of heavy scrapbook paper 2.5"x4." Center it on top of the notepad and use your fingers to make crease lines. Remove, add glue and press in place.

Add a line of washi tape if desired.

Add rows of other scrapbook paper.

Glue down the glittered snowflake and gem, use dimensional foam dots to add main image in the center.

Repeat for second half of the notepad. Add cardstock to the back to make it more firm.

## Abundance Affirmation Shrine!

### SUPPLIES:

Shrine base, peg doll, toothpicks, round disc, paint, varnish, glitter.

### DIRECTIONS:

Paint the shrine and add a layer of white craft glue to the back and pour glitter to cover. Let dry.

Paint peg doll, glue the disc behind her head and add toothpicks  
Glue to the bottom of the shrine, add something to give her a lift if desired.

Paint your power word on the front of the shrine.

Coat with sealer, let dry.

## Navidad Necklace Pendant

### SUPPLIES:

Wood pendant, foil tape, cardstock, glitter tape, assorted paper, milagro, ribbon, crystal trim.

### DIRECTIONS:

Work layer by layer!

Paint the back of the pendant if desired.

Start at the bottom and create a design with the cardstock. Glue pieces to the pendant.

Add a piece of foil tape over the cardstock and use your fingers to press in place.

Glue the remaining pieces of ephemera, add crystal trim.

Let dry.

Add jumping and milagro.

Add the ribbon.
